Parents

What kind of help or support do you think that parents need to raise you?

Education

Thinking of the education that you receive at the moment in Conwy, what is your opinion of it?

Have you got any ideas about how it could be improved? (for example, support, teaching, facilities)

Health

What do you think of health services in Conwy (for example, doctors, dentists, hospital)?

Have you got any ideas about how they could be improved?

What would make health staff more approachable and friendly?

If you were feeling very worried, sad, angry or stressed, where would you go to get some help handling these emotions?

If you don't know, where would you go to find out about what kind of help there is available?

Your spare time

What do you think of the sports and leisure opportunities for children, young people and families in Conwy? Say what has been good or bad from your experiences.

What would you do to improve access to them?

Apart from playing or sport, what type of cultural activities such as music and drama, arts & crafts, museums and libraries, do you enjoy?

Your say

Do you think that your services listen to you more than they did two years ago? (examples of services - school, leisure, health, youth service, libraries, council, etc.)

How could we listen to you better?

Have you heard of Conwy Youth Council?

If you aren't happy with a service you're receiving, who would you talk to?

Who would you ask to help you get your point across?
